	text, links	STAR information	incoming students	provides overview of STAR, contact information, and faqs	
	text, links	Directory for department	students, faculty, staff	details advising staff and links to their directory page	think this page could take over the STAN scheduling page
	text, links	STAR scheduling	incoming students	direct students to contact information for scheduling STAR	directing students to STAR
	text, tabs, links	academic advisor resources and faqs	faculty and staff with assigned advisees		as we move to having the student success model, this page will become less relevant
	text, links	transfer helpdesk contact information	students		of our website with this and other information.
	text, ninja form	appointment types	students		This page is essential for out departmental booking right now.
	text, tabs, links	and transfer resources	students		the utilization of tabs on this page presently isn't great. It might be better to break this page into multiple pages?
		Contact info, department directory	students, faculty, staff		locations, student success center, etc.)
https://students.otc.edu/advising/contact-us/		GPA calculator	current students		presently there are two pages on the web with this same calculator
		Distance Advising information and faqs	incoming students		Students are linked to this page from the application checklists
	text, photos	Operation EAGLE professional development sessions	faculty & staff		will eventually be linking to sign ups
		how to contact advisor, etc. Links to GPA calculator and fa	•		and transfer advising information.
	text, links	Transfer resources, contact information, resources	students		some transfer resource pages that are not linked anywhere on our website. Most of these are highlighted yellow
		resources, etc.	students		Services website. At this time, we mostly need links and instructions for Career Assessments.
